Project #3: Effective Communications Using Presentation Software

Your task is to create an 8-slide (minimum) PowerPoint (or comparable software) presentation that effectively presents a lesson / material to your students. Ideally, this would be something you have used or plan to use in your current teaching assignment. (If you prefer an alternative assignment here, please consult the instructor.)

TPE’s met in this lesson: 4 – *Making Content Accessible*, 9 - *Instructional Planning*

Outline of minimum expectations to be included in your presentations (and each slide):

<p>Slide 1: Title Slide</p> <ul style="list-style-type: none"> ▪ Title of presentation ▪ Image representing topic 	<p>Slides 2-7: The “Meat”</p> <ul style="list-style-type: none"> ▪ The concept / topic ▪ At least one graphic / clipart on each slide ▪ Animated appropriately (so the presentation will flow as you present this to an audience) 	<p>Slide 8:</p> <ul style="list-style-type: none"> ▪ Conclusion / wrap-up ▪ Highlights of main topics / concepts ▪ At least one graphic / clip art

OTHER:

- Additionally, all presentations should incorporate a background.
- If graphics are taken from a website, please cite them using a text box below the image/graphic
- Use WordArt at least one time
- Include one link to an external website (should match with your topic)
- Spell / grammar check your presentation
- **TURN IN A 1-PAGE (TYPED) REFLECTION. AT THE TOP OF THE REFLECTION SHEET, PLEASE INCLUDE WHICH STANDARDS ARE BEING ADDRESSED WITH THIS LESSON.**

Objective	Low Performance (0 Pts)	Average Performance (2-7 Pts)	Exemplary Performance (8-10 Pts)	Points Earned
Presentation consists of 8 slides, in appropriate order	Less than 8 slides	8 slides, but brief and disorganized	8+ slides, well laid-out	
Each slide contains graphic / image w/cited source	No images	Images are there, but no sources	Images on each slide with sources properly cited	
Presentation contains link to relevant external website	No link	Link is there – but not relevant or not working	Link to a website that is directly related to the content being presented	
Animation	No animation	Weak and inconsistent animation	Animation is consistent and well presented	
WordArt used one time	No Word Art		WordArt used correctly	
Content	Content isn’t relevant to a Social Science classroom	Topic is somewhat relevant	Great content ties directly to	
Reflection	No reflection page included	Reflection doesn’t include standards and is vague	Solid reflection with standards cited	
Spell / grammar check	No spell/grammar check performed		Presentation is spell & grammar checked	

The presentation part of this project should be e-mailed to me or brought in on disk. The reflection portion may be e-mailed or printed out and turned in.
