

## NE/AOSA GUEST PASS

Each member of NE/AOSA is entitled to one free guest pass per school year.

We encourage you to bring a colleague or administrator who is unfamiliar with Orff Schulwerk to one of our workshops so they can experience it for themselves, no strings attached!

This offer is intended to attract new members and build professional support for our chapter. It is not intended for spouses, children, or other family members.

Please complete the information below and bring this pass with you to the workshop for our records. Guests will only be admitted upon receipt of a valid Guest Pass. You must be a registered member of NE/AOSA to take advantage of this offer.
